HANDICAP APPEAL FORM

Appellant's yacht:

Name: janes addiction Type: Pogo 30 Sail #: 74
Current base boat rating: 72

HANDICAP APPEAL INFORMATION:

Yacht being appealed:

Name: janes addiction Type: Pogo 30 Sail #: 74
Current base boat rating: 72

REASON FOR APPEAL:

Please provide a succinct outline of the reason for this appeal. Forward the completed Appeal Form to the BC Sailing Offices accompanied by a copy of your current PHRFBC Certificate, any supporting documentation including a list of owners who support your appeal, and a complete list of race results for the relevant season.

Please review my PHRF rating for my Pogo 30 janes addiction. The Pogo 30 is a new design for the west coast and doesn't have historical performance metrics. I have attached results of my 2017 season that included RVYC Wed night races that were helmed largely by a North Sails employee. The crew that sailed the Pogo was unchanged from the crew that sailed my J105 Paladin. The 105 had a successful run through the 2013-2015 seasons including a Fraser Lightship victory, top 15 overall finishes in the Round Bowen race, top 3 boat on FCYC Thurs night races and top half of the fleet results on RVYC Wednesday night races. Crew work was not a factor in the 2017 season. The Pogo is similar to the J105 in many aspects including waterline, sail area, displacement, pointing ability. The Pogo's large wetted surface adds to the complexity of sailing in local waters. The windward leeward courses do not allow the Pogo to reach, its strength. Its designed to cruise offshore. I request a 18 sec rating adjustment.
