

RBAC -WEEKLY NEWSLETTER

June 23, 2017

Announcements:

- **New publication: “Complying with Sewage Discharge Regulations” (attached)**
OBS Pacific worked with Environment Canada and DFO to produce this education flyer to raise awareness of boater’s responsibility and sewage discharges impact to fish/ shellfish. We are asking for your help to distribute to boaters or share with stakeholders who might be interested in helping us spreading the word.

Featured Tweets of the Week:

- Looking to update your Pleasure Craft Operator Card? Here is a list of accredited course providers: <http://ow.ly/90IB30aCNTq>
- Is Dad a boater? This [#FathersDay](#), give the gift of quality time out on the water, and don't forget your [#lifejacket](#) <http://ow.ly/TFUS30coCCG>
